

With uncertainty on a federal level, Montana has options to ensure tens of thousands of Montana families don't lose necessary grocery benefits this November. Families in all Montana counties need action NOW.

Please urge Governor Gianforte to ensure that 80,000 Montanans, including more than 48,000 children, don't lose SNAP this holiday season.

SNAP Supports Montanans in Every County

SNAP benefits reach 80,000 Montanans, including more than 48,000 children, and bring in more than \$13 million in monthly benefits spent in grocery stores in every corner of the state.

MBPC analysis of data from the Montana Department of Public Health and Human Services, represents data from June 2025.
